at 0400 on Friday 15 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Increasingly sunny but feeling chilly overnight.

Today:
Early patchy rain in the south largely fizzling out. Sunny spells developing in the north, but staying largely cloudy for most. A cooler feeling day for most, even in any sunshine. Maximum temperature 14 deg C (57 deg F).

Tonight:
A dry night with occasional clear spells, although on the whole a fair amount of cloud is expected. Coolest towards the east, where the best breaks are likely. Minimum temperature 5 deg C (41 deg F).

Saturday:
Fairly cloudy at first on Saturday. Brightening up through the morning, then bright or sunny spells and the odd shower in the afternoon. Mild again, with light winds. Maximum temperature 16 deg C (61 deg F).

Outlook for Sunday to Tuesday:
Rather cloudy on Sunday, perhaps with the odd spot of drizzle. Turning more unsettled and breezier next week and remaining mild by day and night.
